

2008 WORLD THOROUGHBRED RANKINGS

For 3yos and up which raced between 1st January and 31st December 2008 and which were rated at 115 or above by the IFHA World Thoroughbred Rankings Conference.

Horses racing over different distances and being top rated, jointly top rated or rated the same in different distance categories will be credited with such performances by the appending of the appropriate distance indicators. Horses which top a category but which have a higher rating are shown in italic script. Ratings are calculated in units of 1lb.

The World Thoroughbred Rankings are published by the International Federation of Horseracing Authorities (IFHA)
